

# SUPER RADIATOR COILS

## HEADING SOUTH ON I-95 FROM WASHINGTON DC

At I-95 Exit #79 there are two exit lanes, stay in the left exit lane for I-195 (To Routes 60, 360) Once on I-195 avoid the RIGHT LANE as they become EXIT ONLY lanes

Take Route 76 South ( Powhite Parkway). Staying straight on I-195 puts you onto Route 76. This is a toll road with a .50 cent toll. NOTE: The toll booths to the right are cash or correct change. Avoid the Smart Tag (Debt from Electronic Account) booths to the left.

Exit onto Route 60 West (Midlothian Turnpike). There is another .25 cent toll with the right booth for change/correct change. Once through the booth get in the right lane for Rt. 60 West.

Once on Rt . 60 work over at least one lane to the left as the right lane becomes a right turn only. Follow Midlothian Turnpike for approximately 5 miles, working one's way over to the left lane.

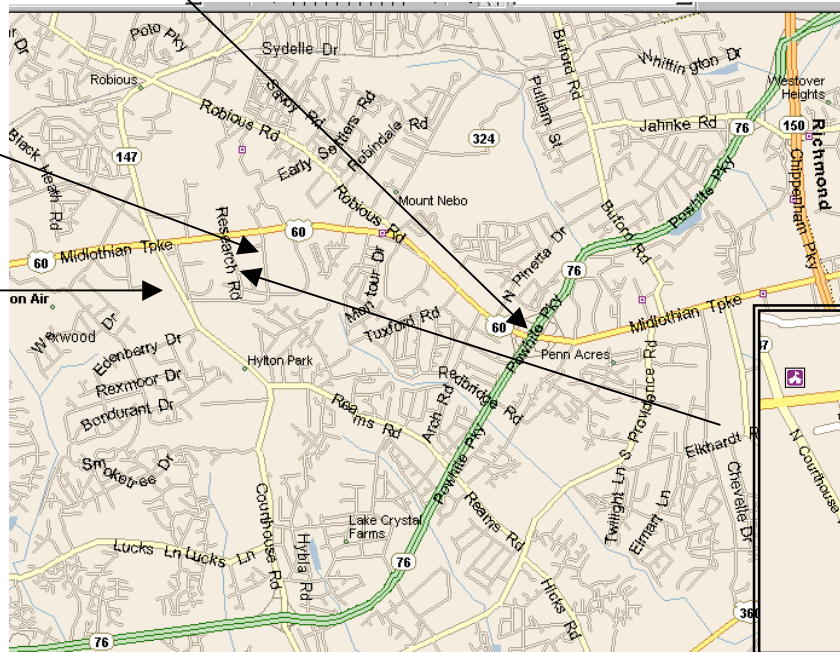

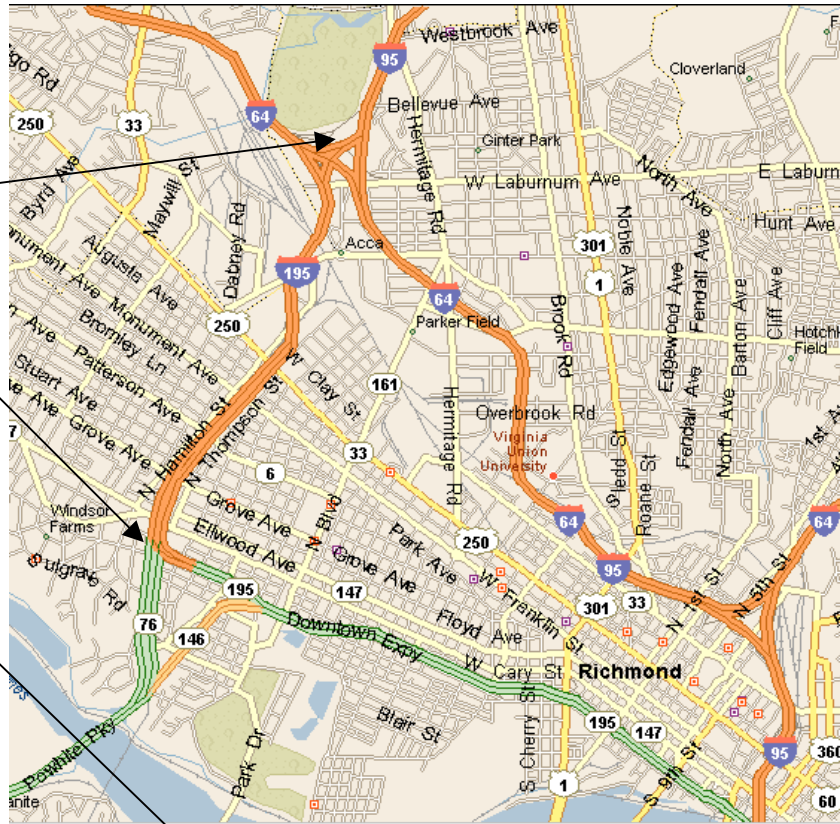

You are getting near once you see CJW Medical Center. Once past CJW Md. Cntr. you will have three chances to turn left into the Southport Industrial Park:

- Left at Arby's puts you onto Southlake Blvd.
- Left at McDonalds puts you on Research Road, then at its end, turn right onto Southlake Blvd.
- Left at the Shell station puts you on Branchway Rd. then turn left at Southlake Blvd.

If you miss these you can turn left at Courthouse Rd. then left again at the next light which is Southlake Blvd.

Super Radiator Coils is at 451 Southlake Blvd. with a low mounted brown and beige company sign.

If lost ask for direction to the Chesterfield Towne Center Shopping Mall (Chesterfield Mall) which is located At Midlothian Turnpike (Rt 60) and Branchway Rd. and also Courthouse Road.
